

Green Machine

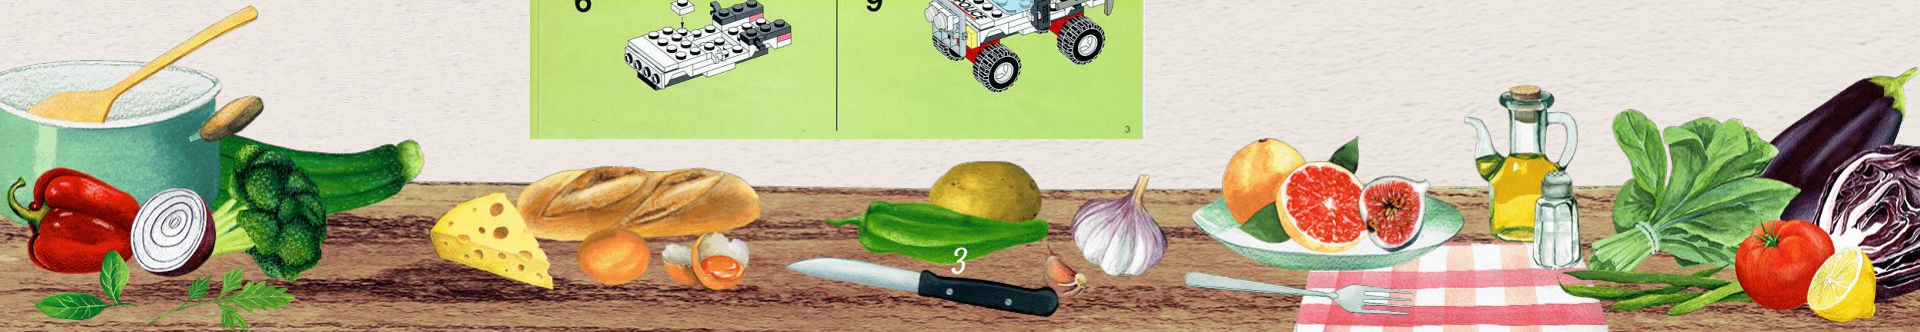

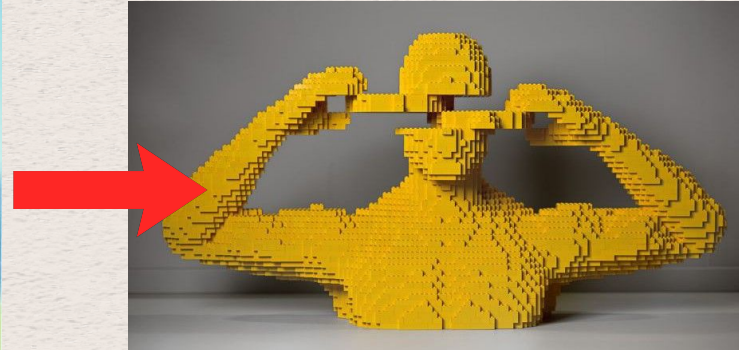

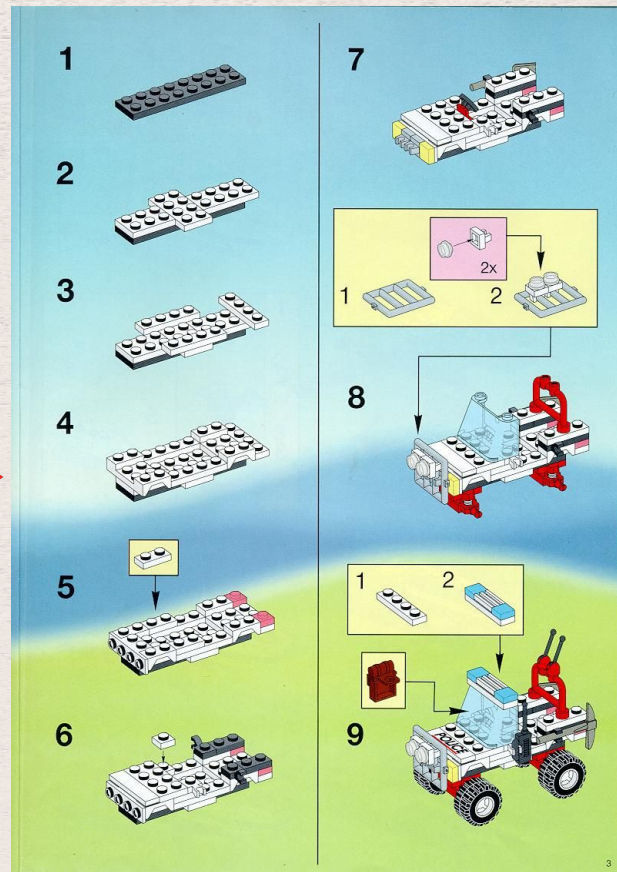

A Spunky Chef's Creation

Introducing the Spunky Chefs

- ◆ Laura “add more veggies” White
- ◆ Zion “pasta enthusiast” Washington
- ◆ Elizabeth “forgot to add spices” Shan
- ◆ Sawyer “Lamb Sauce” Bass
- ◆ Michael “added a “little” too much salt” Truong

Green Machine

Problem Space

Scenario: Wake up from nap, wanting to cook but don't know what to do with items in fridge? The current items in the fridge are eggs, rice and butter

Our Product

- Takes in recipes by the user
- Will be shown to user what they have inputted
- Generates a Recipe
- Shows a dish depending on matching ingredients
